Dear Ex. Chen,

A while ago I held a number of telephone conversations with your regarding the above-identified case.

At the conclusion of our interactions you stated (I believe) that you will withdraw the outstanding Office Action and issue another Action.

To date, we have not received it.

If you did not yet withdraw the outstanding Office Action, please do so ASAP, or do whatever else can be done to toll the clock. The reason for the urgency is that 3/5 (tomorrow) is the next deadline, and if for some reason you do not take the action that you said you would, applicants will suffer a significant late-charge penalty.
